## Glen Ellyn Rotary Citrus Sale

Dr. Peter Monaghan,  
Principal

Attention all Glenbard West Parents:

The Rotary Club of Glen Ellyn is currently conducting its 30th annual Citrus Sale which benefits Glenbard West and South High School scholarships, local charitable organizations and the Glen Ellyn community. Last year, based on need, the club delivered 1200 pounds of fruit, funded 9 scholarship to deserving young adults in need, as well as supported 22 charities, which include: Bridge Communities, DuPage Pads, Glen Ellyn Children's Resource Center, DuPage Senior Citizens Council, People's Resource Center, Midwest Shelter for Homeless Veterans, Teen Parent Connection and BR Ryall YMCA. We fully anticipate supporting these organizations again this year!

The Indian River Ruby Red Grapefruit and California Navel Oranges may be purchased in full or half cases to be given as gifts for friends, family, clients, employees, or for yourself, as they are simply delicious eating. All fruit is picked on Monday or Tuesday and available for pick-up at the Glenbard West receiving dock on Friday. Now that is fresh! Additionally, you may purchase the fruit to be donated to the charities mentioned. Delivery of donated fruit will be taken care of by the Rotary Club.

The price of premium oranges and grapefruit is \$38 per 40 lb. case. Call Beth Dolan-Heipp at 630-942-7464 or at extension 2239 if you have any questions. **ORDER BY TUESDAY, NOVEMBER 15.** Pick-up will be available at our loading dock **FRIDAY, DECEMBER 9, after school.**

Please return this [Order Form](#) to the APO Office by Tuesday, November 15 or mail to 670 Crescent Blvd., Glen Ellyn, IL 60137 - c/o Beth Dolan-Heipp.
