

Health Requirements for Entering Glenbard West High School

High school transfer students from Illinois:

1. **Copy of your 9th Grade DHS Physical** from your former school.
2. **Immunization Records** Completed on the 9th Grade Physical Form. If vaccines are needed an appointment card from Medical Provider for completion within 30 days of first day attendance must be presented before student will be allowed to attend. **See back page for Vaccine Requirements.**

Transfer Student from out of state, or out of the country entering an Illinois school for the first time:

1. **Physical Exam** on an Illinois Department of Health Services (DHS) form. The exam must be completed within one year prior to the date of entry.
2. **Immunization Records** Completed and signed by medical provider on the Physical Form. If vaccines are needed an appointment card from Medical Provider for completion within 30 days of first day attendance must be presented before student will be allowed to attend. **See back page for Vaccine Requirements.**
3. **Eye exams** (by an ophthalmologist or optometrist) are required for students entering an Illinois school for the first time.

If you are a student returning to Illinois:

1. **Copy of your 9th grade DHS Physical Exam.** Exam must have been completed within one year prior to date of 9th grade entry to an Illinois school.
2. **Immunization Records** Completed on the 9th Grade Physical Form. If vaccines are needed an appointment card from Medical Provider for completion within 30 days of first day attendance must be presented before student will be allowed to attend. **See back page for Vaccine Requirements.**

**Students may not attend school until Health
Requirements are met.**

Required Vaccines

- Tdap**: Proof of one dose is required.
- Tetanus**: Proof of two or more doses of DTP/DTaP or Td.
- Varicella** (chicken pox): Proof of two doses required with first dose on or after 1st birthday, or proof of Immunity (Physician statement or laboratory evidence submitted with immunization records).
- MMR** (Measles, Mumps and Rubella): Proof of two doses with first dose on or after 1st birthday (Physician statement or laboratory evidence submitted with immunization records).
