

Glenbard West Student Supports

Academic Support

Teacher Office Time

Often the best place for students to receive extra assistance is directly from the instructor. West teachers are student-centered and eager to assist students when they are struggling. Students should contact teachers for additional support. Please use the [DIRECTORY](#) to find email addresses.

Parent Meetings

If students/parents need additional academic support, they can schedule a meeting with members of the student services teams.

Check & Connect

Our support teams have identified some students who may need additional support and provide students with a mentor who can assist them with monitoring grades and goal setting progress. Please contact Thomas Barlow for more information at 630-942-7477.

AP Resource Center

The AP Resource Center is to all AP students. Students are invited here to study and do homework (individually or in groups), get paired with a tutor, talk to the coordinator about study skills. Contact David Voland for more information.

Student Services

School Counseling

Glenbard West School Counseling Department provides a safe and caring environment to guide, support, and empower all students in academic, college, career, and social-emotional development. Click [HERE](#) to connect with your counselor.

Health Services

Health Services staff offer support to students in relation to immediate health concerns and chronic medical challenges. The school nurse identifies and plans for students with health concerns with a goal of optimal health. *Covid Related- Please continue to report any student who tests positive for COVID-19 to the Health Office. Click [HERE](#) for contact information.

Home Visits

There may be times when Glenbard West families are in need of an in-person check-in. Our Problem Solving Teams periodically conduct home visits that are meant to be supportive. They help determine what obstacles exist for the student/family and help show support. Contact Deans if you think this is something that might help.

Related Services

Related Services staff offer support to students in relation to social-emotional, behavioral, personal, communication, and academic concerns. Click [HERE](#) is a link to this department.
