

Glenbard West High School - Student Supports/Resources

Academic Supports

Academic Resource ([In-Person](#) and Virtual) This support pairs students content specific assistance during their study hall. Students receive instruction directly from Glenbard West teaching staff during academic resource. There are both in-person and virtual options available. Please check Schoology for virtual links.

AP Resource Center (Virtual) The AP Resource Center is to all AP students. This support offers students study/homework strategies and tutoring. Contact david_voland@glenbard.org for more information.

Check & Connect Our support teams have identified some students who may need additional support and provide students with a mentor who can assist them with monitoring grades and goal setting progress. Please contact thomas_barlow@glenbard.org for information.

Lunch Intervention (In-Person) During lunch periods, Glenbard West will provide academic support available to students who may be struggling in class. Students may be assigned to the intervention room during their lunch periods. Students that are assigned to the lunch intervention room must attend as attendance will be required.

National Honors Society Tutoring Peer tutoring from National Honor Society members is an excellent support service. Interested students should contact their school counselor.

S.T.R.I.V.E.- Success Through Reaching Individual Expectations(Virtual) An after school program designed to provide a structured environment where students can complete work, study for tests, and receive academic support as needed. Please contact thomas_barlow@glenbard.org for more information.

Community Resources

COMMUNITY RESOURCES - The Glenbard area has a large number of community supports including emotional, medical/health, and educational.

Glenbard Parent Series (GPS) Check out the line up of experts along with the “Take 5” sessions that provide recorded messages from these speakers [HERE](#).

Student Services

The Glenbard West Students Services team works with students/families to meet the academic, behavioral, emotional, psychological and social needs of students to assist them in reaching their full potential.

The Student Services team is made up of [counselors](#), [deans](#), [nurses](#), [psychologists](#), [social workers](#) and [speech/language pathologist](#).

The Student Services Team is divided into smaller [Problem Solving Teams](#). The Problem Solving Teams combine expertise to provide interventions and accommodations for students not experiencing success. Using the problem solving method, struggling students will be identified, supported, and reassessed in a timely manner.
