“Pride – Tradition – Excellence”

Dr. Peter Monaghan, Principal

670 Crescent Blvd., Glen Ellyn, IL 60137, (630) 469-8600, www.glenbardwesths.org

Dear Glenbard West Parent/ Guardian,

Glenbard West is excited to be planning for an eight period, in-person schedule for the upcoming school year. This registration packet contains important information that will help you organize and plan for the upcoming school year. I encourage you to pay close attention to deadlines for registration and back-to-school dates. The West administrative team is working hard on systems that will help all of our students integrate back to a typical school year with supports in place to assist in their success. As you may know, our first attendance day for students is **August 11, 2021**. Please take the time to read the enclosed packet and feel free to contact the school if you have any questions.

Online Registration & Payment - Online registration will be available July 1st through July 29th. Please follow the system prompts to register your student and pay your fees online **by July 29th** to realize your prompt pay discount of \$35 (Instructions enclosed). *Registration and payment of fees are required prior to the first day of school.*

New Students to Glenbard – Glenbard utilizes the iPad and digital curriculum/applications to deliver instruction to students. Before Glenbard can ship the iPad and instructions to new students, registration requirements must be completed and all medical and immunization records must be provided to the school nurse. We **strongly encourage you to register as soon as possible** so we can deliver the device and instructions on a timely basis. This will provide your student as much time as possible to become familiar with the device and digital curriculum, prior to the start of school.

Notification System – It is extremely important that you complete the **Glenbard Notification Information - Automated** section as part of the registration process to ensure that we have your current contact information. This will ensure you receive important notifications from the school and district office.

AP Exam Enrollment - If your student has enrolled in an AP course for the upcoming school year, we will also enroll them for the AP Exam. Glenbard will bill the AP exam fee on your student's fee statement and will waive one AP exam fee per year, per student. The AP exam is \$95 each; AP Seminar & AP Research exams are \$143 each. More information regarding the AP courses and exams can be located on our school's website.

Food Service - During the 2021-2022 school year, we will be operating our food service program under the Seamless Summer Option (SSO) as approved by the USDA. This means all students attending Glenbard schools will be eligible for free breakfast and lunch meals daily. Families will not need to complete an application for this program.

Deep Learning & Engagement with Technology in Glenbard District 87 – Please review our Deep Learning & Engagement with Technology in Glenbard District 87 brochure enclosed in the packet we mailed to your home. Key topics:

- Goals of our 1:1 Program

REGISTRATION AND PAYMENT OF FEES

FEES & REGISTRATION: Glenbard utilizes an on-line registration process for families. Please refer to the enclosed “On-Line Registration” flyer contained in this packet for instructions. Both parent/guardian and student will be required to approve on-line policies and terms/conditions. Glenbard’s Student Fee Schedule is located under the Parents section of the website.

Required Fees:

- \$235 - Registration & Fees (Prompt pay fee of \$200 if paid in full by July 29) – fee includes registration; all course fees; student activity pass and digital handbook.
- \$149 - iPad Rental Fee¹
- \$85 - Digital Curriculum Fee

¹Fee includes device, charger, case, insurance coverage and loaner program. After the family has made four annual rental payments over the student’s career at Glenbard and the student’s account is paid in full the device will become the property of the student. In other words, this is a rent-to-own program.

Deadline: Families must complete on-line registration and payment **by July 29**. Registration and payments received after this date will pay the \$235 Registration & Fee charge versus the prompt pay fee of \$200.

PE Uniform & Lock: PE uniform and & lock will be provided to all incoming freshmen. The PE uniform & lock charge of \$26 will be directly billed to you for on-line payment. If needed, returning students will be able to purchase PE uniforms and lock once school is in session. Note that due to last year’s circumstances, sophomores will receive their uniform and lock at the start of the year as well.

Advance Placement (AP) Fee Process & One Free Test: Glenbard charges the AP exam fee through the registration process in the summer, along with the other student fees. The AP exam is \$95 each; AP Seminar & AP Research exams are \$143 each. Our School Board has made the investment to pay for the cost of the first AP exam for every student, so families will only be responsible for paying the AP exam fee for their student’s additional exams each year. Families will have the opportunity to ‘opt out’ of the exam and fee by October 14, 2021 or February 14, 2022 for 2nd semester only AP courses. After the dates, families will be responsible for a \$40 unused/canceled exam fee. More information regarding the AP courses and exams can be located in the “Parents” section of our website under “AP Testing”. If you are in need of financial assistance for AP Exam Fees, please contact your building Assistant Principal for Student Services.

Optional Fees: The athletic participation fee is \$150 per student, per year. The fee allows your student to participate in unlimited sports. Yearbooks are available for purchase through the on-line registration & payment process. Students that sign up for the Behind the Wheel portion of Drivers Education will be charged \$350. Parking passes are limited and the annual fee is \$200.

Payment of Fees: It is the policy of the Glenbard Board of Education that prior to the first official day of class families should pay fees in full. Payments are due by July 29 for families to realize the prompt-pay discount of \$35. The on-line registration process will guide you through the registration and payment process. Families that cannot pay in full due to financial circumstances should refer to the Financial Assistance Programs referenced below.

Payment Plan: Glenbard offers a 4-pay, payment plan that allows you to pay your fees over the course of the school year. A \$7 convenience fee will apply. **IMPORTANT:** If you want the optional Athletic Participation Fee to be included in your payment plan, you must select this fee when you register online.

FINANCIAL ASSISTANCE PROGRAMS:

National School Breakfast and Lunch Program - (Free or Reduced Meals): During the 2021-2022 school year, Glenbard will be operating the food service program under the Seamless Summer Option (SSO) as approved by the USDA. This means all students attending Glenbard schools will be eligible for free breakfast and lunch meals daily. Families will not need to complete an application for this program.

Waiver of School Fees: Families that receive SNAP, TANF or Income Eligible Medicaid should be directly certified for waiver of fees by our business office. Families can also apply for waiver of student fees if they meet the household income eligibility requirements. Families can apply on-line for fee waiver. Information is located within the "Parents" section of the website, under "Financial Aid" then "School Fees". If you apply for a waiver of school fees you must also sign up for Glenbard's 8-payment plan. Please refer to the enclosed "On-Line Registration" flyer contained in this packet for instructions. After you select 'Student Fees', choose the 8 payment option and complete the information. If your waiver is declined, the 8-payment plan will be activated and your fees will be paid over the course of the school year in 8 equal installments. **IMPORTANT:** If you want the optional Athletic Participation Fee to be included in your payment plan, you must select this fee when you register online.

Extended Summer Hours: Daytime and evening hours are available this summer for you to receive assistance to apply for the Fee Waiver. Staff will be available from 8 a.m. until 7 p.m. in the library to assist you with the application process on July 27th and July 29th.

TECHNOLOGY & TRAINING:

iPad, Charger & Case:

All incoming freshmen and transfer students will receive an iPad to manage coursework. Glenbard will ship your iPad and training information to your residence after you have registered, paid your fees and/or signed up for a payment plan. We strongly encourage families to **register as early as possible** so that your student has more time to train on their device prior to the first day of school.

Returning students that had an iPad for the 2020-21 school year are responsible for maintaining their device in good working order and will use their device for the upcoming 2021-22 school year. Returning students should run all software updates prior to the first day of school.

If you experience technical issues with your iPad contact the technical support help desk at 630-942-7777.

Digital Curriculum/Applications: Glenbard provides students with digital curriculum (digital textbooks, digital novels, digital workbooks) and applications (Schoology, our learning management system; etc.) that the student will use for their coursework.

Note: Certain courses may still require non-digital materials (hardbound textbooks; paperback novels or workbooks). If your student needs these non-digital materials, we will provide them at no additional charge. Textbooks must be returned by the student in good condition at semester end (semester classes) or by year-end for (full term classes), or fines could apply. These materials will be provided to your student once school is in session.

The physical exam must have been completed within one year of entrance into 9th grade. iPads will not be mailed to students until the physical is turned in so please ensure this is completed as soon as possible.

Students cannot attend "in person" school unless the school nurse has received the required Health Exam and Immunizations. If you have questions, please call (630) 942-7493

SENIORS ONLY: All seniors will need to provide proof of receiving the Meningitis Vaccine to the School Nurse by July 30. Students cannot attend 'in person' school unless the School Nurse has received this information.

RESIDENCY VERIFICATION: All families must verify residency each year prior to registering for school. Residency verification was due June 16. Glenbard verified 90% of our student's residency electronically. If we could not electronically verify your residency, you should have received a letter in the mail from us in May, requiring you to verify residency in person or by mail by the due date referenced above. Residency procedures are located in the Parents section of our website, under the Residency Verification section. Verification of residency protects all of our families and ensures that only students that live in our school district boundaries attend Glenbard schools. **It is illegal to attend school in a district where you are not a resident.** Contact the Assistant Principal for Student Services (APSS) at school for more information.

STUDENT ID REQUIREMENTS: Students will be required to carry, and present upon request, their student ID to any Glenbard staff member. Student IDs are required for entry to the building, to get on the bus, lunch purchase, library and lab check in, etc.

Dear Freshman Students and Parents,

Congratulations on your graduation from the eighth grade and your enrollment at Glenbard West! We know that the transition to high school is exciting, but also has its challenges. For that reason, West has designed a mandatory orientation to provide our incoming students with the best opportunity for success. **Freshman Orientation will take place on Friday, August 6th. Orientation will begin at 7:30am in the Auditorium. All freshmen are required to attend Freshman Orientation.**

All freshmen students will attend orientation sessions led by the Glenbard West staff and members of the senior class. Our Senior Mentors have undergone several hours of training so that they can assist freshmen students with this transition and provide them with the information needed to successfully begin high school at Glenbard West.

Sessions held at Freshman Orientation will acquaint students with members of the staff, allow students the opportunity to meet other freshman students, provide an overview of the academic resources available to students, address expectations for behavior, explain extracurricular opportunities, introduce students to the culture and traditions of Glenbard West, and provide recommendations for academic success and practical tips to help your student succeed at Glenbard West.

On August 6th, we will provide a bus run so all freshmen can attend Freshman Orientation. At Back to School Day on Thursday, August 5th, freshmen will receive information about their bus routes and times. Busses will pick students up at their assigned stops, and will transport students back to their regular stops at the conclusion of Freshman Orientation.

Please encourage your freshman student to eat a healthy breakfast before attending orientation. Freshmen **do not** need to bring anything to orientation, including iPads. Freshmen will be asked to put their cell phones away during the program. Freshmen should wear comfortable shoes and clothing for walking around the building and being active.

On behalf of the Senior Mentors, Faculty and Staff, we welcome you to the Glenbard West Family and look forward to meeting you on August 6th.

Sincerely,
Chris Mitchell - Assistant Principal for Student Services

Glenbard West DirectorySpot App

Glenbard West will continue to use DirectorySpot next year for our school directory, providing both an app as well as an online/web version. We plan to have the 2021-2022 data loaded in late August.

If you were a DirectorySpot user last year at any school, then you don't need to do anything. In late August, just log in (same username and password) and you will see Glenbard West and the new data. Please make sure you have the latest version of DirectorySpot to see the new features (check the app store for any "updates").
