

HOMECOMING2022

September 19 - September 24

A huge part of our centennial celebration is the entire Homecoming Week. The Student Council works diligently to plan an exciting and action-packed week for students and alumni.

This year's Homecoming theme is ***Dancing through the Decades***. When walking through the halls, you can feel the energy and see the school spirit as students dress for theme days, prepare for the parade, decorate classroom doors, and our famous Woodchucks build the bonfire. We welcome our alumni back for the weekend's festivities and expect our students to show their overwhelming support at all the events. Throughout Homecoming Week, Student Council will host activities before, after, and even during the school day.

Student theme days are a great and easy way for all students to get involved with the Homecoming Festivities. Below are the themes and activities:

Lunch Activity: Candy giveaways

Evening Activity: West Nation presents the Pass, Punt, and Kick competition on Memorial Field at 7:00 p.m.
